A Diary of Buchser High...

*Kodiak 1975
Volume 16
Emil R. Buchser High
Santa Clara, California*

Dedication:

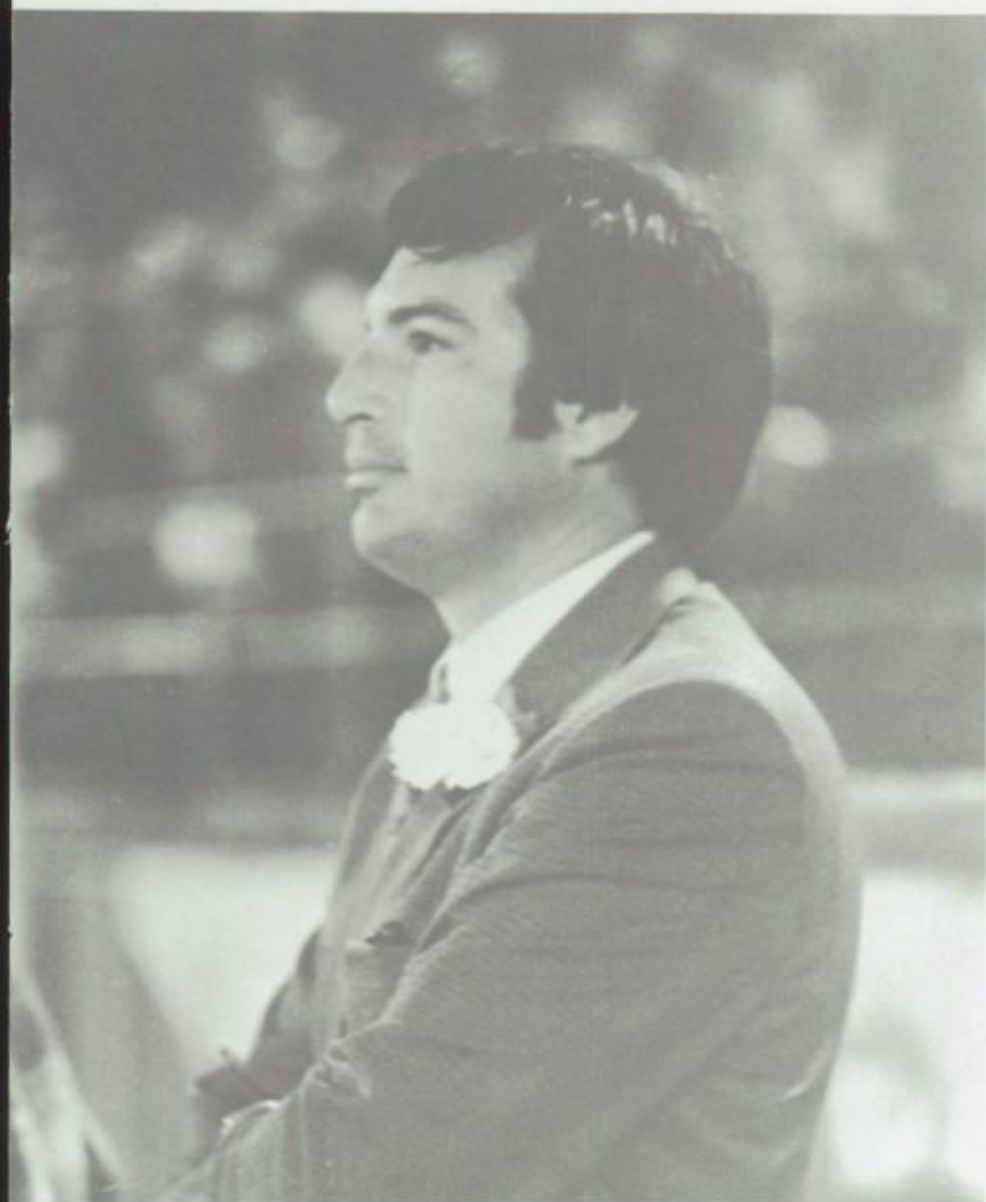

Don Carre'

The 1975 Dedication could not go to a more deserving person. He has taught here many years and is chairman of the Music Department. He donates hours of his time, not only to classes, but also to extra-curricular activities and private instruction. His interest in the students is shown through many things, including the time he gives as advisor of the Backpacker's Club.

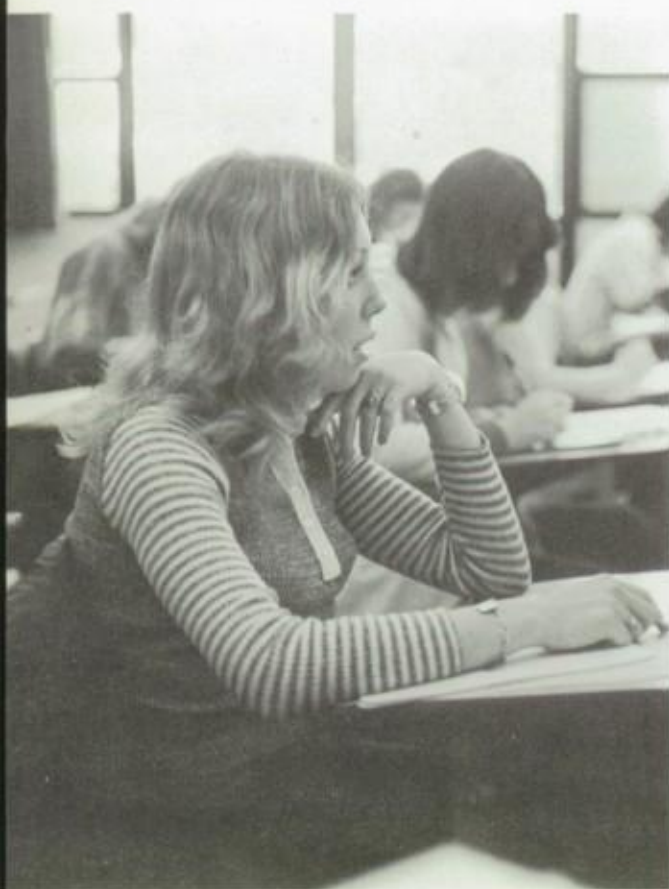

The staff is proud to dedicate the 1975 KODIAK to "ruff and tuff and hard to bluff," Mr. Don Carre'.

Dear Diary, How I will enjoy telling you about life at Buchser: the first days of school with the new freshmen; a football game in the night air; Homecoming; the Christmas Concert; semester finals, ugh!; basketball games; the musical; club beach trips and car washes; and finally, graduation with everyone moving up and the Seniors becoming freshmen all over again.

The favorite
place of
students,
the
classroom!

If you don't have a note, don't pass
Go and proceed directly to Mrs. Sager!

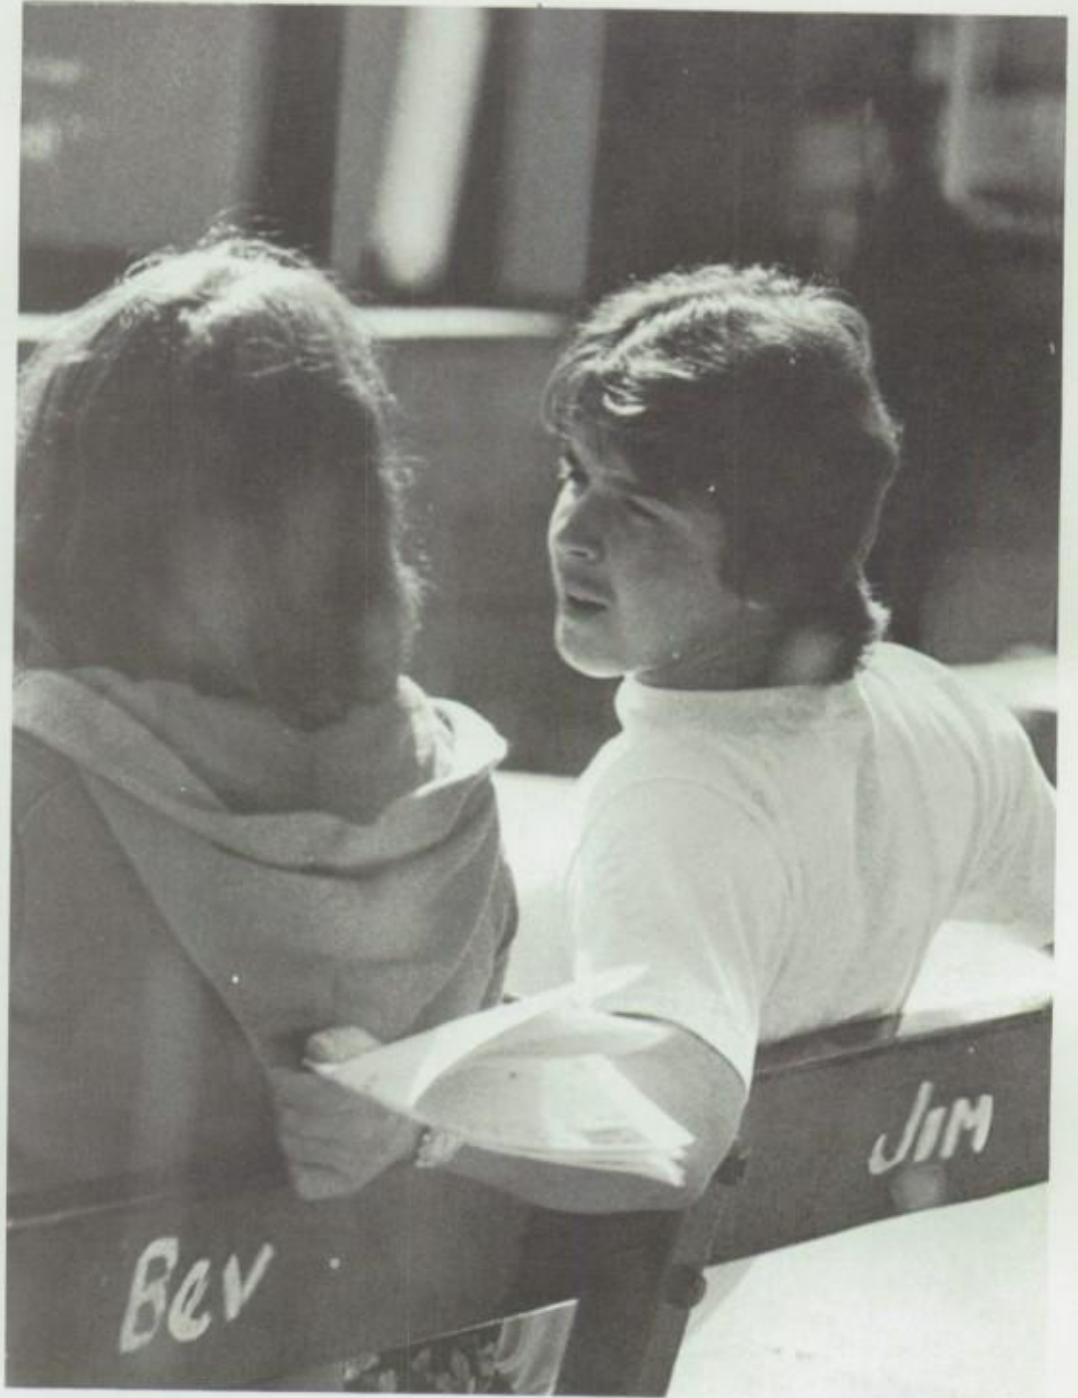

There are so many things to tell you,
diary, my fears as a freshman, my
sophomore struggles, my broken leg
from a Ski Club trip as a junior, and
my senior year, when "Senioritis" set
in deep in April and May.

The library. Why are
the books I want
always checked out?

The Senior Bench - How the freshmen envy the privileged ones!

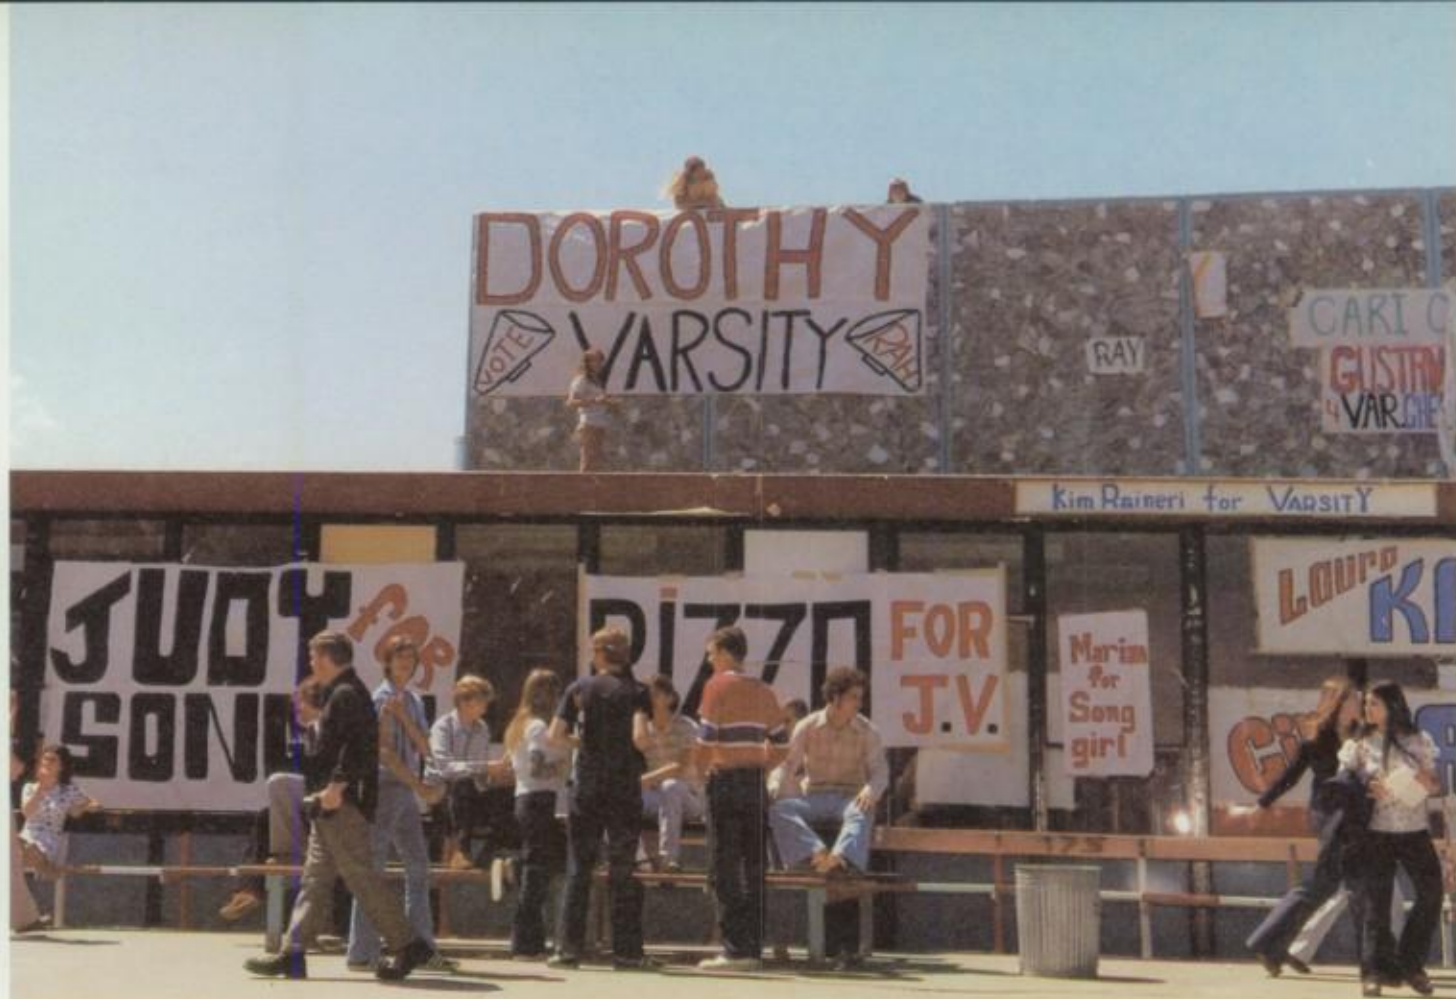

On the athletic field. You win some and you lose some!

I experienced much pleasure-and some pain-in an empty hallway, the good old SBO, the ecology pond, the Senior Bench and even the front gate. And a special joy was the quad on a spring morning.

*... make a beautiful bowl with
your own hands.*

... making a vase emerge
from a shapeless lump
of clay.

... learning directory
assistance in Career English.

... learning a trade in
metal shop.

Diary, there are
so many things
to do at Buchser,
in class and
after school...
getting made up
for the musical...
playing the french
horn... and even
getting help from
the teacher...

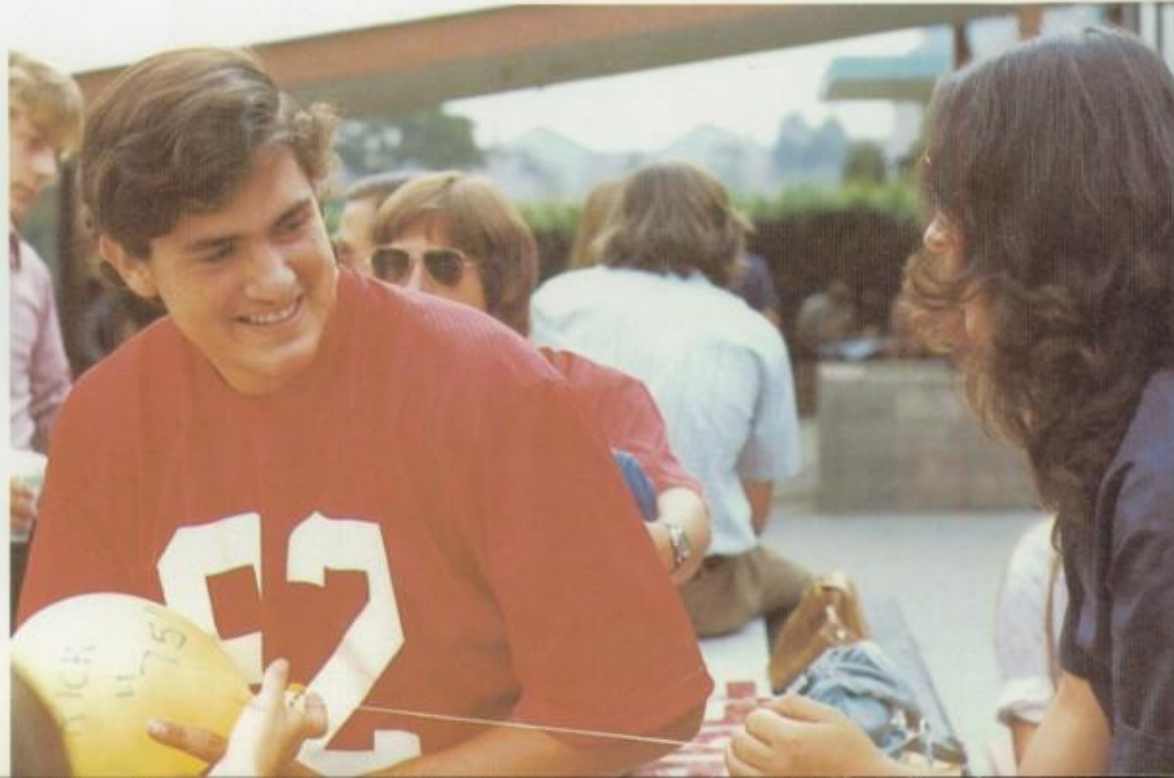

... a chemistry
experiment

... working(?)
in the library

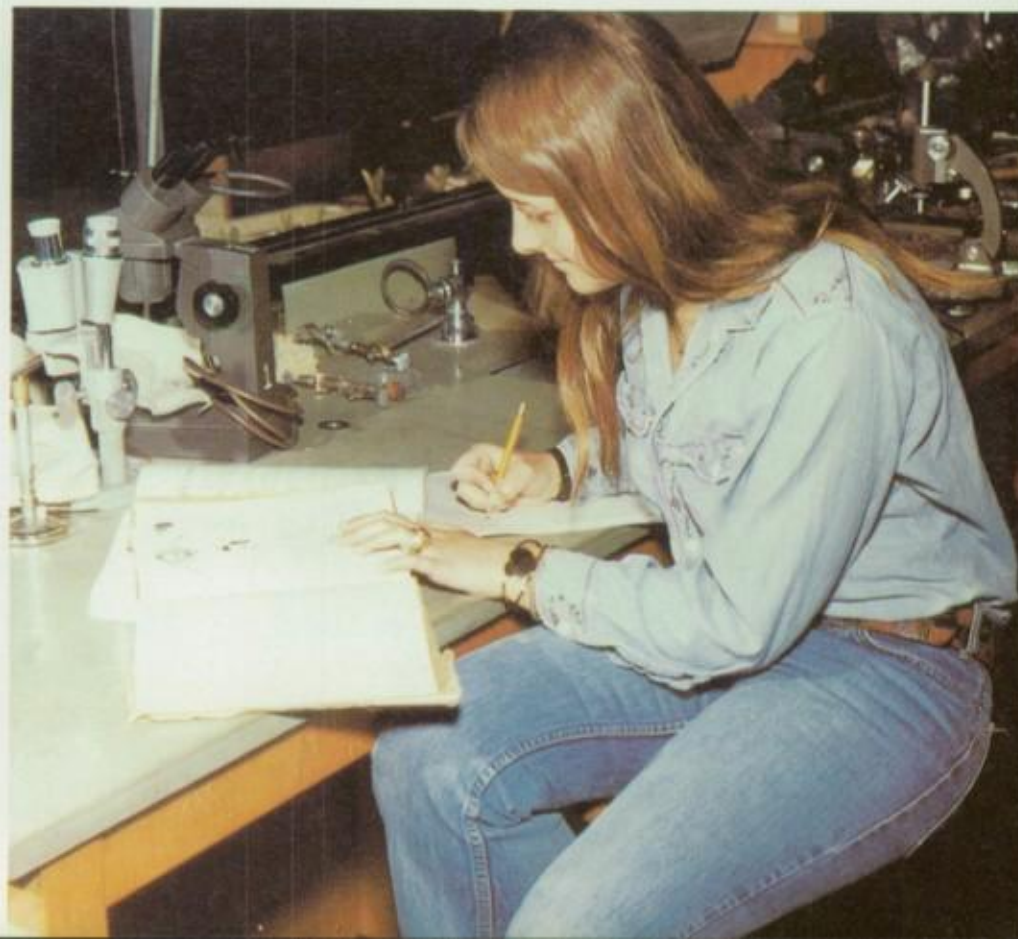

... a rendition
of Yankee Doodle

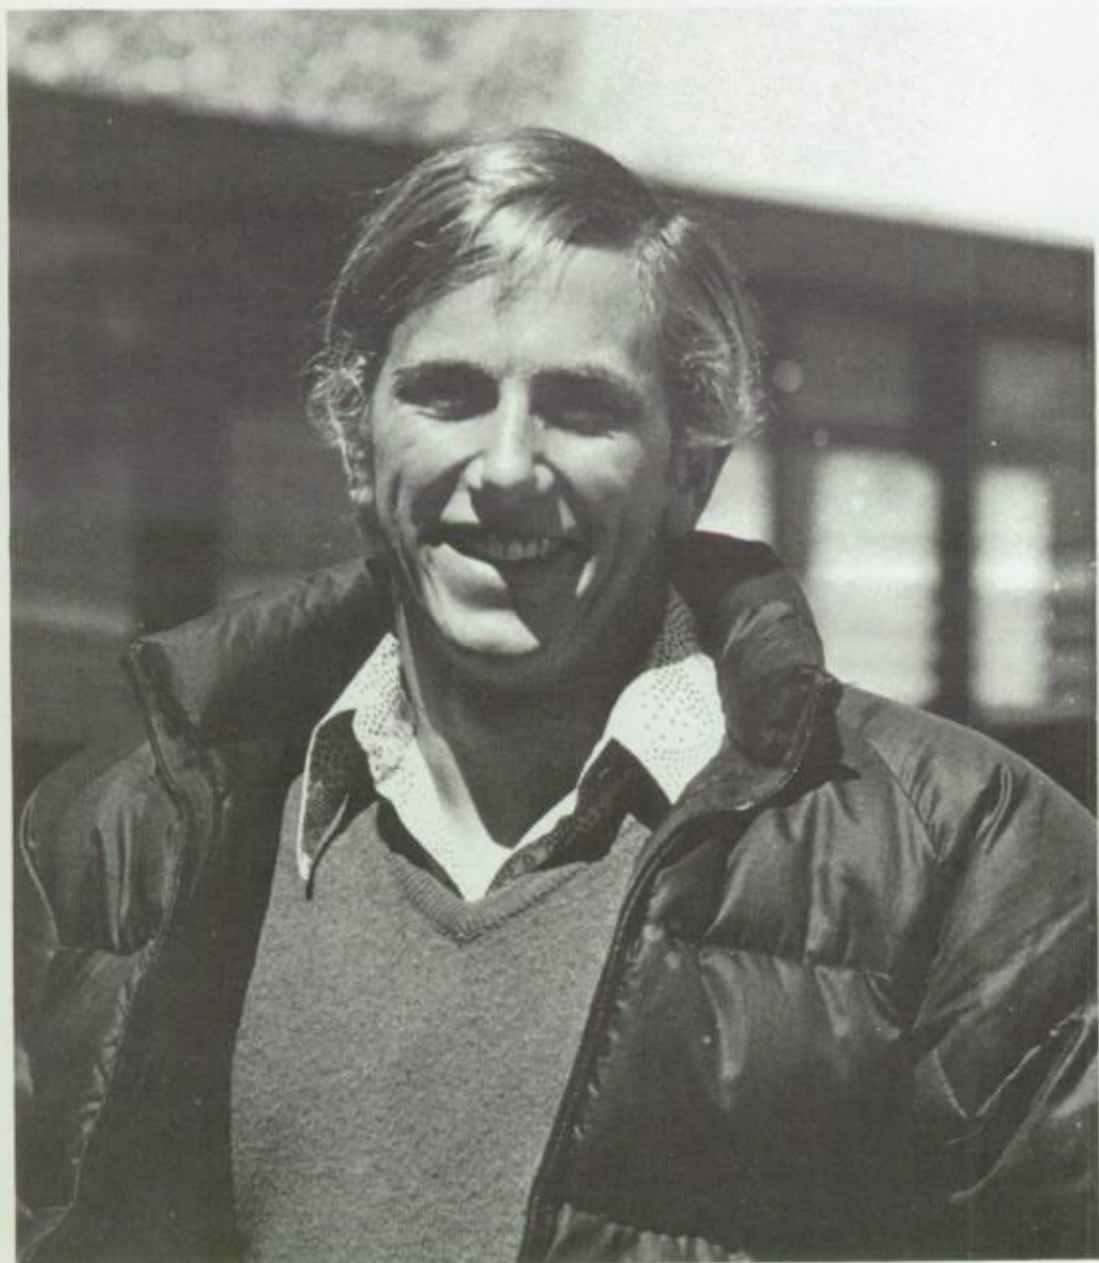

In the four years here,
there are so many things
and people you're bound
to see: the good times with
friends, our spirit at games,
the foreign exchange students
from Japan, and an
enjoyable class.

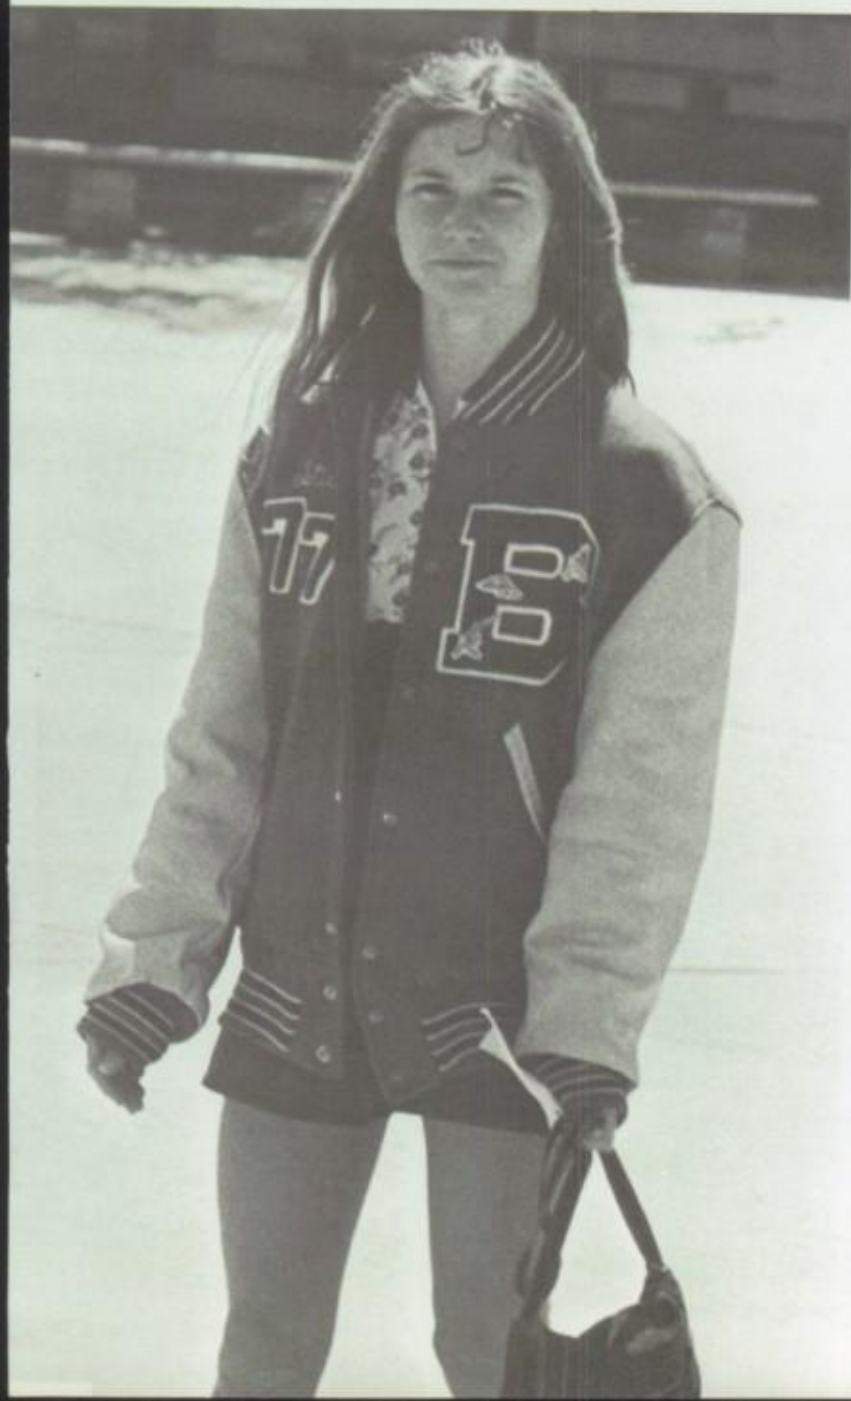

*The latest
thing in
eyewear!*

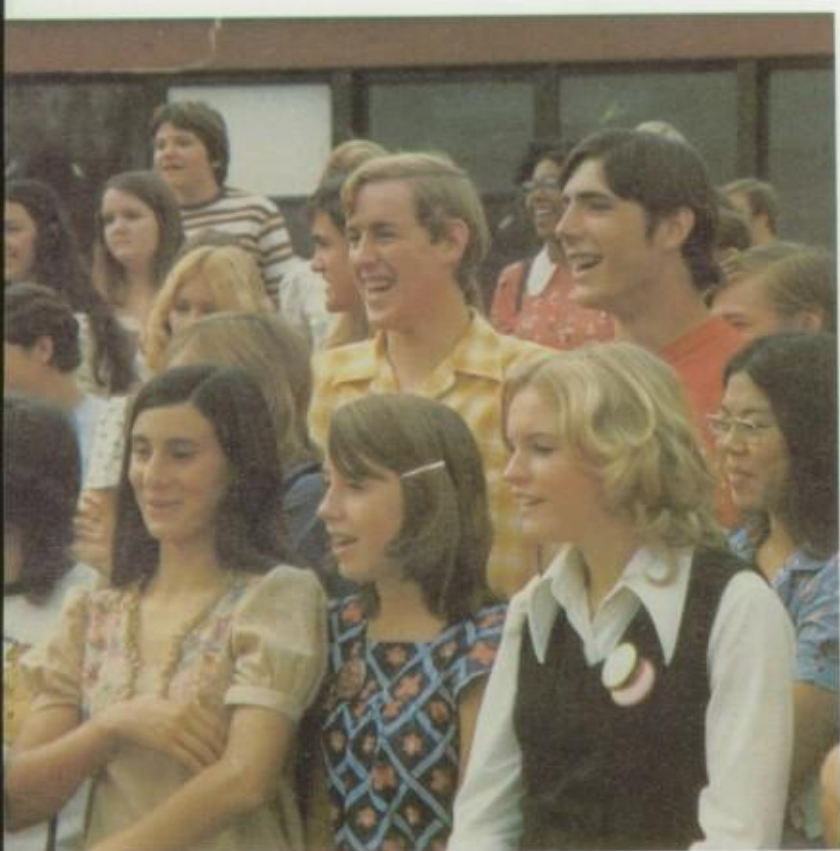

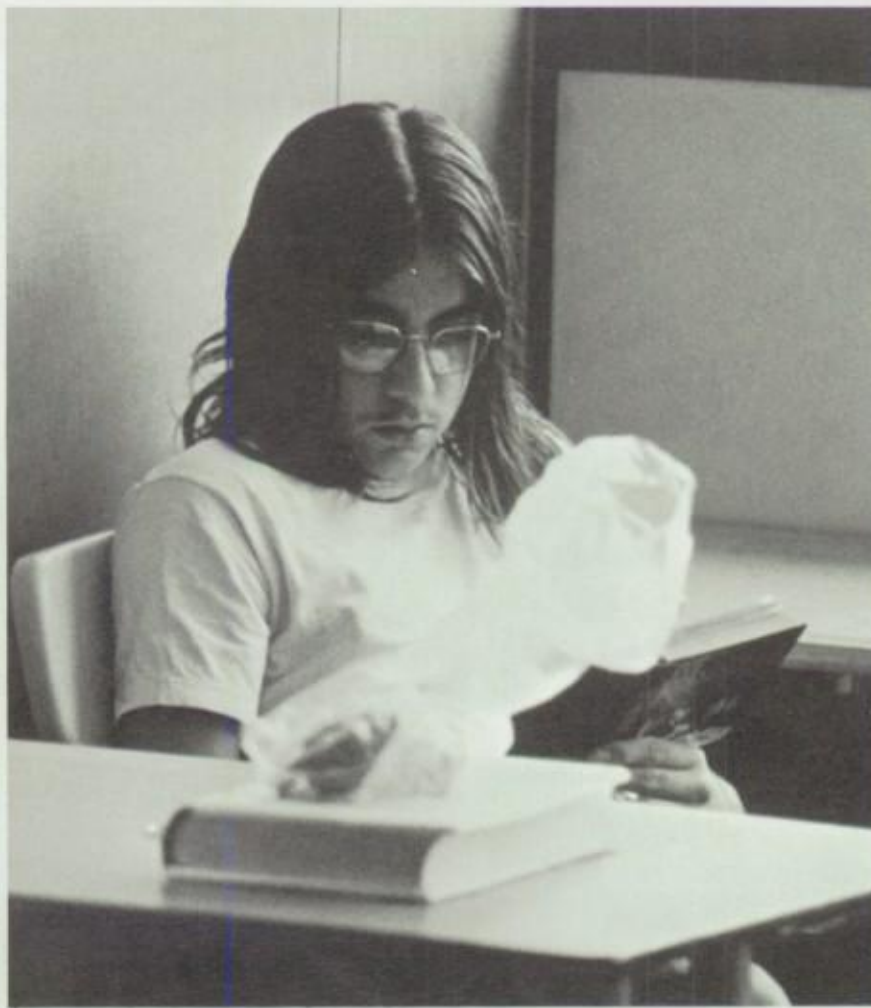

*Enjoying the sights from
the Senior Bench.*

I have found, diary, that at Buchser the people are the most important. They make Buchser what it is. The friends, the classrooms, the girls wearing their boyfriends' jackets and the smiling faces. They make Buchser come alive.

*And now, diary, it is
time to look on...
On to the events of 1975.*

Class of '75

Dear Diary, The time I thought would never come is upon me now - the end of 4 years at Buchser and the start of something new. In the beginning, I was so unsure but I look back now and see how secure high school is. I always had my friends to talk to and go places with but now we are all going our own ways and will rarely see each other again. Yes, Buchser gave me four happy, secure years.

Senior Activities

Dear Diary, I have waited three years to participate in the special things that are reserved only for seniors.— the Senior Superlatives, the Disneyland trip with all my friends and the Awards Assembly when we find out about all the accomplishments of our fellow seniors. But the most memorable activity is graduation—the final thing before leaving Buchser after four years and stepping out into a new world.

Spirit

Dear Diary, Buchser's Spirit is made up of people. People at football games, people at rallies, in the band and being cheerleaders, one girl becoming Homecoming Queen, wearing school colors and guys on the team wearing ties on the days of games. Spirit is dressing-up in 50's style on Bee-Bop Day or hobo clothes on Hobo Day or Hawaiian clothes on King Kamehameha Day. Spirit is also pride in our school.— All of these things make up Buchser's spirit.

Sports

Dear Diary, after watching the Bruins lose their first three football games, I got the feeling it wasn't going to be one of our better years. The final blow came when we lost to Santa Clara for the first time in many years. As the year progressed, we found that we had three championship teams. Our basketball, soccer, and baseball teams all took first place in our league. We had one basketball player break a league record in point scoring and three baseball players pitch no-hitters. Buchser redeemed itself!

Varsity Football

Looking at the won-loss record is no indication of the quality of play by the Bruins this season. With an overall record of three wins and seven losses, the varsity squad gave it their best.

The first three games of the season, the Bruins could not get things rolling with losses to Mitty, Pacific Grove, both semi-finalists in the CCS Championship, and Lynbrook. The team got going once league play started, with impressive wins over Wilcox and Mr. View. Then came the Bruins best performance of the season, a very hard fought game against Los Altos. The only scoring came in the fourth quarter, with the Knights coming out on top in a very tight defensive game. The next two games ended in losses to Peterson, and CCS Champions, Awalt. Their final win was a non-league contest against Piedmont Hills, who at the time were trying for the championship in their league. To end the season, the Bruins lost to archrival Santa Clara in the last minutes, after leading most of the game.

There were many fine players on the squad this season. Offensively, in the rushing department, Dale Irish led with 360 yards in 90 carries, his longest was 88 yards for a touchdown. Seniors Tony Fitzgerald and Randy Lumacted, and sophomore Dave Hodgins all came in with around 290 yards apiece. But it should be noted that Hodgins tallied his in only five games before being injured. Top receivers were Gary Hintz, Brian Allen, and Bob Pettigrew. Defensively the squad was led by Rick Steele with 115 tackles. Randy Lumacted, Mark Giroux, Jim Rey, and Mike Priest all helped to build a strong defensive squad.

The Bruins produced three all-league players, Dale Irish, runningback, Rick Steele, linebacker, and Mark Giroux at defensive tackle.

J.V. Football

The JV team didn't put things together this year, ending the season with a 1-7-1 record for their efforts. Coach Adams said that the defense was strong against the run, but he felt the team didn't react to mistakes.

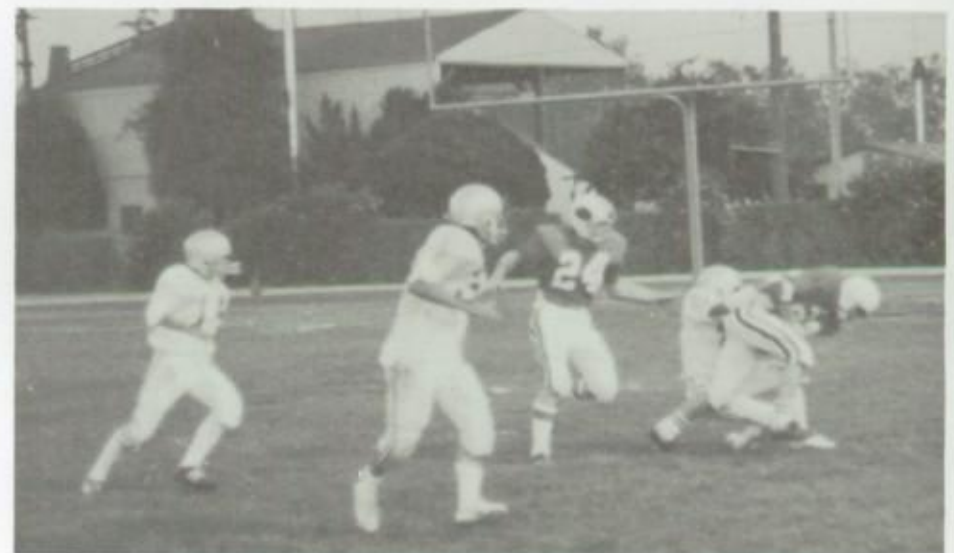

The better players were runningbacks Rick Walick and George Bario, All-leaguers Jesse Castro and Mark Birch. Both were 1st team selections, Rick Channing and Rich Linstrom, both were Honorable Mention. All turned in fine performances.

Freshmen Football

There isn't much you can say when a team goes 0-7 for the season. This was the case of this year's freshmen football team. The team had many good-sized players, but they just did not use their size effectively. Coach Kappen said there were many players who have the potential of being good varsity players. Two such players were Jeff Coffman and Rodney Krewson, both were good all around players.

Ed Phillips was voted to the All-League Squad for his commendable defensive play. Other outstanding players were seniors Jerry Welin, Jerry Loughlin, juniors Ed Clark and Allen LaRue.

With many juniors returning for next season, the Bruin poloists have a promising future.

Cross Country

Dave Rock and Dave Bullard at league finals.

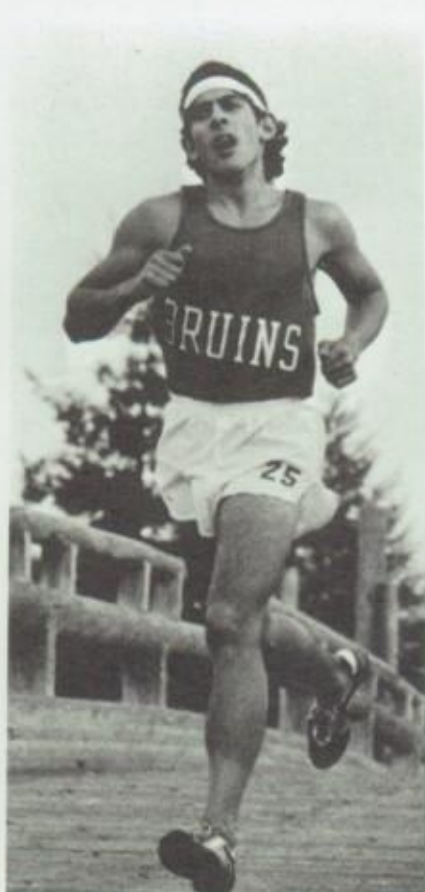

Although this year's Varsity Cross-Country Team had a rough season, placing fifth in league, senior runners Dave Bullard and Dave Rock ended their last Cross-Country season at Buchser with some outstanding personal performances. Dave Bullard, chosen Most Valuable Runner by Coach Hale, had a fourth place finish at the City Meet. Dave Rock topped off his season with a thirteenth place finish at the league finals and a ninth place finish at the City Meet.

Sophomore team at league finals

This year's Freshman team placed third in their league. Fred Lude led the team by placing seventh at league and fourth at city. Paul Nelson's season concluded with a twentieth place finish at league and a fourth at city. Rounding out the 74-75 Freshman team were, Mike Pisano, Kevin Jensen, and Jeff Chu.

The Sophomore team highlighted Buchser's 74-75 Cross-Country season by capturing both league and city titles. This outstanding team was led by Sophomore Bruce Jensen and Freshman Matt Baily. Jensen completed his season with a seventh place finish at league and a first place at City. Baily's triumphant season ended with first place finishes at both league and city. Jim Banks, Rick Quon, Cliff Fuji, and Steve Hanner, also contributed greatly to the Sophomore teams successful season. **SPECIAL NOTE:** (Sharon Furtado, Junior, the only female competitor was undefeated against female competition)

Varsity Basketball

The Bruin Varsity Basketball team has again this year captured the S.C.V.A.L. crown.

The Bruins finished the season with an outstanding league record of 11 wins, 1 loss and an overall record of 18 wins and 8 losses.

Returning from last year's team was Senior Tom Stephens who has played all four years on the Varsity squad. He led the team scoring with 426 points and also set the all-time scoring record in the S.C.V.A.L.

Steve Nunes completed his third year on the Varsity team with 251 points. Up from last year's J.V. team was Howard Lamcke, who proved to be a valuable asset to the team, scoring 258 points. Senior Jim Moniz, who did not see too much action last year, was one of the starting five. Mike Verga, playing his second year on the Varsity squad, was the fifth starting player. Seniors Mike Riley and Gary Gray also played very well this season. The three juniors on the team, Bruce Anderson, Bill Gallagher and Bob Bailly, saw a lot of action this year and are expected to be the backbone of next year's team.

1974-75 began as a season of doubt for the J.V. basketball team. Little or no game experience was the rule as the season got under way against Camden. The doubt was quickly dispelled as the Bruins rolled to an easy victory. Six wins followed before the Buchser "5" was knocked off in the finals of the Monta Vista Tournament. Pat Blamey was voted all tourney. The team ended the season with a 17-5 overall record. The Bruins also dominated the All-league selections with Pat Blamey and Mitch Fuentes landing 1st team berths, Ron Puccetti 2nd team, and Kurt Meinhardt Honorable Mention. The starting five was rounded out by Jim Nemeth, who was instrumental in the championship win against Los Altos.

Youth, inexperience and forfeits, combined together, equal an unsuccessful season. After being undefeated and league champions for 2 years, the JV team finished in third place this year with a 3 win 3 loss record, 3-8 overall. Most of this year's team was made up of freshmen and first year wrestlers who participated at the league tournament placed third or better. Doug Balandis, a first year junior wrestler, was Buchser's only S.C.V.A.L. Champion. Other placers were: Second, freshmen Dave D'Antonio and Joe Flores; Third place, sophomores Rick Boutwell, Rick Linstrom and Rich Radoni. The highlight of the season was the 51-0 whitewashing of rival Santa Clara Panthers.

Varsity Baseball

1975 was to have been a building year for the Varsity Bruins. Graduation had taken 14 players with Mike Roman and Dave Hodgins being the only returnees. After losing 6 of the first nine games, the Bruins came back to win 11 of the last 13, and finished the season as round robin co-champions with Wilcox.

Sophomore Mark Stephens had a remarkable season finishing undefeated with 8 wins. Along with Mark, pitchers Mitch Fuentes and Mark Talia accomplished something Buchser has never seen in it's 17 year history. All three pitched a no-run, no-hit ballgame in one season. This brings the present total to five.

Dave Hodgins was the teams most valuable player, batting an excellent .466 in league play. Brad Block was voted the teams best hitter with a .408 average. All four starting sophomores batted over .300. Brad Block, Dave Hodgins, and Mark Stephens made first team all league S.C.V.A.L. Mike Roman, Rich Fevinger, and Mark Talia made second team, and Mitch Fuentes, and Steve Roener were named Honorable Mention.

Swimming

It was a very good season for swimming this year. Both the Varsity and Frosh-Soph squads did well. The Varsity team, consisting of seven members, placed fourth in the league and in the finals. But they placed second in CCS out of the 58 teams that participated. Outstanding swimmers were, Senior Bob Jackson, who had All-American times in the 100 fly and 100 back, and Junior Mark Vigeant, who placed first in the league in the 200 IM and 100 back. Other fine swimmers on this year's squad were Juniors Shawn Bohnert and Ed Phillips. The Four combined in the 200 medley relay and qualified for an All-American time with a clocking of 1:40.2! The frosh-Soph had it's share of winners too. Sophomore Eric Gile who captured first place in league competition and second in CCS, swimming the 50 fly. Other promising athletes include Rick Craig, Danny Loughlin, Paul Benedetti, and Joaquin Matlack.

Walick captured the 100 and 220 events with times of 10.3 and 23.4. Other Sophomore records set the mile relay, set by Walick, Jensen, Raineri, and Hintz with a time of 3:35.5. Ron Herren triple jumped 42-6½, and pole vaulter Joe McMath vaulted 12-0. Frosh record breakers included 2 miler Matt Bailey whose best time was 10:43.4. Girls' Athletic Association

Personality, good health, understanding, and leadership are all why the Girls' Athletic Association was formed. It gives the girls a chance to become acquainted with competition and teaches them to become good winners as well as good losers. Whether a girl be a star athlete or an average student she has fun in G.A.A.

Class of '76

Dear Diary, Even when we were freshmen we were known as the "Spirit of '76". We're finally getting up there to the top. Some of the people have changed a little over the three years here, yet, some of them haven't changed at all. We've seen two sets of goofy, immature freshmen come in and two groups of ever-arrogant seniors leave; but other than that the school's just about the same.

Entertainment

Here, diary, is the entertainment line-up for this year: The Homecoming Dance honoring the Homecoming Queen — the Christmas Concert, where the combined chorus and orchestra perform a beautiful choral work — the Broadway musical that is so good it seems professional — the Oakie Stomp, when girls have a chance to ask their dream boys to dance — the Senior Ball, which is always so beautiful and romantic. — and the En Soirée, when the cafeteria takes on the appearance of a cabaret.

Class of '77

Dear Diary, Finally I can relax- no longer am I bait for freshman-hungry seniors. I can really become involved now- go to dances and games and not hear the taunts of "Ah, go home, you're just a freshman!" Even though I have made it through one year, I feel that the three remaining years are going to take forever although they can't be as hard- or as special as the first!

Student Activities

Dear Diary, Taking part in the activities is half the fun of Buchser. Guys earning medals in sports, the Foreign Exchange students, people sharing Slurpies, making plaster casts of your face in Art Club, night football games, seeing guys combing their hair through your classroom window, the GAA Gymnastics team, sitting in the corridor, the school musicals, and then for your grand finale, at the very end, Graduation.

Mildred Farley and Ann Marie Pearce. (Whew, What a day!!)

King Kamehameha Day is a Buchser tradition honoring a Hawaiian king. Slaves are sold to anyone who wishes to own one for the day and tropical fruit kababs are available to satisfy the appetites of all.

"OK., which one of you took my fruit kabob!?!?"

FOREIGN EXCHANGE

Marcia Hexsel (Brazil)

Marcia came to America to see the big cities and the snow-covered mountains her friends who had been here had told her about.

Marcia says she would prefer our school over her's anytime. "It's so easy here. In Brazil, it's hard and you have to study alot. Going to school here is fun."

She has visited Disneyland, Santa Cruz, and tried skiing at Dodge Ridge while here. She plans to come back to visit her American parents and friends after she finishes college in Brazil.

Helle Lis Thorberg (Denmark)

Helle came to California because she wanted to go to a place with lots of sunshine. Helle was in International Club, the Model U.N., and G.A.A. while she was here. She also played tennis and in Denmark she won many trophies. Helle thinks our school system should be more strict. "American schools are too lenient," she says. "You can get a good grade and still not learn much. In Denmark, we take what they tell us to take and therefore, we learn a lot more of the essential things." When Helle returns to Denmark she plans to go to "Gymnasium" (the equivalent of our Junior College) and perhaps become an archeologist.

Siri Legernes (Norway)

Siri came to America to see how American people live and how our society functions. She believes that our school system is great in theory, but in practice, it doesn't work out so well. "In Norway, the good students are put above the others. They get better classes and the extra education that they want."

While Siri was here, she was in the International Club, and the Model U.N. Club.

She has enjoyed her stay here and says, "I liked the experience of being in a new place." She plans to come back in a few years and attend U.C. Berkeley.

Martial Barriel (France)

The reason Martial came to America was to improve his English, since he didn't speak hardly a word of it when he came.

While he was here he played on the soccer and tennis teams. He also loves fencing. This is what he had to say about our school system. "Your school system is really loose. In France, the system is more strict. The student doesn't have much choice on subjects, but he learns more. Also our class has the same people in it every year, so you become real good friends with them."

Martial would like to come back to the U.S. some day to see more of it and visit his American parents and friends.

The Japanese students were taken to Roaring Camp, Eastridge, San Jose Tea Gardens and Museum, and the University of Santa Clara as a group. With their American families they went to places such as Disneyland, Vasona Park and Santa Cruz Beach.

Before the Japanese students can come to the U.S. they have to take a test on English and American History. Only the ones with the highest scores can come.

While at Buchser, they went to the Oakie Stomp and the International Club Dinner. At the Dinner they dressed in Japanese costumes and sang.

Class of '78

Dear Diary, It's only the beginning of the first day and I'm ready to go home! I asked a girl where a class was and she told me to go around the corner and up the stairway. I went around the corner - what a burn! I hope the next year's won't be this bad! I'm looking forward to moving up and becoming a senior but I am almost enjoying being a freshman. There's a certain status about being on the bottom.

Faculty

Dear Diary, I have enjoyed all the fun and activities of Buchser, but I have also enjoyed the people that make a school a place of learning - the staff. The staff has many functions: from showing a freshman where his next class is to helping a senior prepare for the next year; not to mention teaching. The staff is not only the teachers, either, it is the counselors, the nurse, the deans, the vice principal and the principal. Without the staff and the students, there are only buildings - not a school.

If you would indeed behold
the spirit of death,
open your heart wide
unto the body of life.

For life and death are one,
even as the river and the sea
are one.

Advertisements

Dear Diary, As a member of the Yearbook Staff, we went to get ads at the beginning of the year. He must have gone to 5,000 stores but ended up with 39 ads. Later on, near the end of the year, we went to take pictures at some of the places. He ended up with a free Coke and tour of the Coke Bottling Company. Now we have to make sure to patronize the stores and companies that gave us ads.
